Subject: Back Forty Mine Project

Dear Mr. Kaplan,

We live on the Wisconsin bank of the Menominee River near McAllister WI. Our address is

[Ex. 6 - Personal Privacy]

We want to voice our opinion in opposition of the Back Forty Mine Project that is being proposed on the Michigan side of the Menominee River. We are extremely afraid of the adverse effects that this mine will have. We would appreciate anything you can do to help stop this mine.

Thank you,

[Ex. 6 - Personal Privacy]
